Christian Action for Freedom

World Community Day

WORLD COMMUNITY DAY, November 4, will emphasize the theme *Christian Action for Freedom*.

Sharing has been one of the main purposes of World Community Day since its beginning. Through projects and offerings, millions of people have been aided not only physically, through clothing and other material aid, but mentally and spiritually through training and education, and perhaps especially through the knowledge that they are not forgotten.

For full details, order the World Community Day Packet (.50) from Publication and Distribution Department, 475 Riverside Drive, New York 27.
